# What is the MBA Learning Center?

“*These modules provide great opportunities for students to truly learn and apply concepts. The activities are engaging for students and give a great variety depending on how in-depth you want to go into the subject and how you need to differentiate.*”

– Teresa Brooks,  
Southington High School, CT

The MBA Learning Center is a comprehensive learning management system for teachers and students of business administration. Powered by Canvas, the Learning Center is a library that houses 300+ complete instructional modules, pre-loaded courses, and assessments, as well as tools to help you deliver content to students.

What's included:

- Comprehensive, research-based lessons
- Engaging activities, videos, and articles
- Assessments: Built-in exams and item banks
- Interactive tools for students to engage in learning
- Customizable presentations, discussion guides, and more!
- Help desk support by phone or email

**The MBA Learning Center is the most effective tool to help students prepare for:**

- End-of-program exams
- Badging exams
- Credentialing
- End-of-course exams

**Give your students an advantage and prove their success with the Learning Center.**

# Why use the MBA Learning Center?

“*The research has been done for the teacher. The materials include great **relevant articles and videos**. The Learning Center **frees up time** to spend with the students on discussion and other activities that enhance the topic.*”  
– Terry Ertman, Basic Academy of International Studies, NV

“*Students have a **one-stop spot** to get resources that they can **access from anywhere** with Internet. Students can utilize it to communicate with me. They can use the calendar on it to track due dates and upcoming quizzes.*”  
– Allie Holtzer, West Bend High School, WI

••••  The Learning Center saves you time and enriches students' learning experiences.

## Who We Are:

MBA Research is your not-for-profit partner in education! MBA Research supports educators just like you in the preparation of students for careers in business. Operated by a consortium of state education departments, it is our mission to help you teach your students what matters most.

## What We Do:

- Engage with the business community to learn what students need to know for their future careers
- Develop curriculum standards and instructional materials based on and validated by industry
- Provide support and professional development opportunities for teachers and administrators across the country
- Offer proof of learning through industry-based assessments
- Design programs for your school (*High School of Business™*, etc.)
