

High School of Business™—Steering Team

The Steering Team Composition of Members

Consider who you will invite to join your school's *High School of Business™* Steering Team. This is an active group that is responsible for the successful planning, start-up, maintenance, and improvement of the program. We recommend the following composition as a guideline:

- Two, senior-level, local business professionals
- School Site Administrator (e.g., Principal)
- District Administrator (e.g., CTE Director)
- College-level business faculty member
- Counselor
- Faculty teaching *High School of Business* courses

8 Charges for Steering Teams

1. Ensure ongoing program improvement to benefit your school's students
2. Advise of current education needs for business professionals in the workplace
3. Promote the program in its community
4. Promote the program in its school
5. Ensure that students graduate with more than a diploma
6. Bring business into the classroom
7. Support teachers
8. Find observational internship opportunities for students
